“It’s a Matter of Pride”

My Fellow Knights:

Sterling High School is entering the new school year prepared with a wide range of updated programs and a full selection of activities. The success of our students is contingent upon the attainment of information and making intelligent decisions. Productive students give themselves a better opportunity to be successful by reviewing the Sterling High School Student – Parent Handbook.

We expect all students to demonstrate pride in their school and to take full advantage of the many opportunities available to them. We also expect students to be accountable for their actions and behavior and to respect the rights of others to learn in a supportive and safe environment.

This Student-Parent Handbook clarifies the responsibilities, behaviors, and attitudes expected of students. We urge every parent to read and understand all the information it contains. We encourage every student to give their best effort and look forward to a rewarding school year.

Please do not hesitate to contact your student’s teachers, guidance counselor or administrators with any questions you may have.

Sincerely,

Matt Sheehan
Principal

STOPIT APP

We are excited to inform you that were in our fifth school year using the STOPIT App.

STOPit is an online reporting tool designed to deter and mitigate bullying and cyber abuse, consisting of an app and a backend incident management system for school administrators. Our students have access to the STOPit mobile app, which has two simple but powerful features. Report can be used by students to report incidents to school contacts (anonymously, if the student so chooses) and/or to trusted contacts the student selects.

Get Help can be used to engage in two-way communication with school contacts or to access a 24/7, 365 talk-or-text Crisis Center. Both Report and Get Help empower students to stand up for themselves and for one another. Students have the power to help put an end to harmful and inappropriate behavior they see online through social media and other means. They can use STOPit to reach out for help if they or a peer are facing a personal crisis or experiencing bullying, abuse, or are otherwise in need of assistance. Our goal with STOPit is to create a safer, kinder school community, both online and off.

Save the Date family community Night called “What’s happening in our Town.... And beyond” featuring Sgt. Rich with an expert panel to address relevant youth issues such as: Social Media, Drugs Alcohol and Anti-violence.

To use the STOPit platform, only a limited amount of student information will be needed, including the student’s name, student ID and/or email address. No additional personally identifiable information will be required, although students may choose to share more when they use STOPit.

Both our school and STOPit are committed to protecting the privacy of student data. STOPit is a signatory to the Student Privacy Pledge, spearheaded by the Future of Privacy Forum and the Software & Information Industry Association, and endorsed by President Obama. Administrative detention will be served without exception. Students will be excused on by the Principal/Vice Principal from the Administrative detentions for the day. The student will be required to make up the day. Absences can only be excused by the Vice Principal for verified reasons. After approval by the Vice Principal, the detention will be reassigned for the next detention day. **If a student is absent from school the day that the detention is assigned for, they must make up the detention on the day of their return to school.**

3 Hour Detention: 3 Hour Detention will be held Monday thru Thursday (as needed) from 2:30 PM to 5:30 PM. 3 Hour Detention will be assigned for offenses such as the second Administrative detention cut, excessive lateness to school, second class cut, and other offenses outlined in this Administrative procedure. Students will be expected to have school assignments, school I.D., and be prepared to work during the 3 Hour Detention.

Lateness to a 3 Hour Detention is unexcused and will be considered a cut. Students will be placed in Internal Suspension until a parent conference is held.

Penalty for cutting a 3 Hour Detention is as follows:

1st Offense	2 days Internal Suspension, parent conference
2nd Offense	3 days Internal Suspension, parent conference with Principal
3rd Offense	5 days Internal Suspension, parent conference with Superintendent
4th Offense	External Suspension and possible placement in alternative school, parent conference with Superintendent

Suspension: Students are excluded from classes or school for a specified period of time. A parental conference is necessary in order for a student to be readmitted to regular classes.

Students will be assigned to Internal Suspension from 7:30 AM to 3:20 PM.

The primary purpose of suspension is to encourage parental involvement to assist in producing the desired behavior modification. It must be emphasized to students and parents that suspension is a serious matter that disrupts the educational program and continuity for a student. It is the goal of this policy to identify disciplinary problems and issues and to remediate them with the least amount of damage to the student's program. Although students must make up work missed due to a suspension, nothing can replace the student's attendance and participation in any given class.

Each suspension will require a follow-up counseling session with the student's Guidance Counselor. A record of the progress made during these sessions will be submitted to the Administrator involved within 48 hours following the end of the suspension.

The duration of the 1st suspension is 1-10 days depending on the offense. The 2nd suspension is 3-10 days. The 3rd suspensions are generally for a minimum of 5 or more days and require a procedure with the Principal which includes a parent conference with teachers of the student, the student's Guidance Counselor, Youth study Team personnel, the School Nurse and/or other such professional staff as required to develop a complete assessment of the student's progress to date. A formal record of the meeting will be kept and shared with all concerned personnel including the Superintendent. Any future suspensions may require the assignment of an external suspension and referral to the Superintendent.

Referrals subsequent to the Principal will be to the Superintendent.

External suspension (Out of School)

When students have been externally suspended from Sterling High School, they cannot participate in any capacity in any school sponsored activity or extra-curricular program, nor can they be on the school grounds or in the school building until the suspension period has been properly terminated.

The only exception to this policy is for a pre-arranged scheduled Administrative or Board of Education conference meeting with the students and/or their parents, guardians, or legal counsel. To receive credit for quizzes, tests, and other related work missed during suspension, the student must make up the work in accordance with Policy # 5610, Marking System, and Section 10. Students should contact their Guidance Counselor to arrange for assignments.

Internal Suspension (In-School)

In-school suspension (Internal Suspension) is also assigned to students as a disciplinary measure.

During this time of restriction, the student is directed to **remain in the Internal Suspension room for the entire school day and continue beyond 2:29 PM until 3:20 PM Monday through Thursday.**

Class work will be assigned by the student's regular teachers. It will be the student's responsibility to obtain and make up work to the satisfaction of his classroom teachers while in Internal Suspension. Teachers will maintain a record of work assigned and completed and grades will be entered for the work assigned. If a student does not complete the assignment, no credit will be recorded. **Additional assignments may be required by the Internal Suspension Teacher.**

Extended Day: Students will remain in the In-School suspension area at the end of the regular school day to serve their extended day detention which will be supervised by the Internal Suspension Monitor (Teacher in Charge).

Students will not be permitted to remain in Internal Suspension beyond the suspension period. Should a parent not report for a conference by the end of the suspension period, they will be notified and the student will be excluded (place on External Suspension) from school pending a conference unless the Administration deems otherwise.

Students will be required to do school work at all times while in Internal Suspension. The Internal Suspension Teacher will maintain a check list and will monitor students each block. Should a student receive two (2) unsatisfactory marks in a given day for failure to work or discipline, the student will be required to redo the full day of Internal Suspension, until a parental conference is held with the Vice Principal.

The student cannot participate nor attend any curricular or extra-curricular activities or programs until the terms of the suspension have been satisfactorily met by the student as determined by the Administration.

In addition, students who have been suspended three times, Internal or External, waive the privilege of attending any field trips for the remainder of the year. Seniors who have been suspended 3 times will not attend the senior trip.

Students who have been suspended four or more times will not be permitted to participate and/or be a spectator for all student activities. This includes, but is not limited to, the Sterling prom, Outside High School Prom Dances/Activities, graduation ceremony, athletic teams, and any other event or program identified by the Administration (Policy Regulation 5600).

Absences while a student is on suspension do not count toward credit reduction provided assignments are completed satisfactory.

PROCEDURES ASSAULT ON A STAFF MEMBER

Any student who commits an assault, as defined pursuant to N.J.S. 2C-12-1 upon a teacher, Administrator, Board Member, or other employee of a Board of Education acting in the performance of their duties and in a situation where their authority to so act is apparent, or as a result of the victims relationships to an institution of public education of this State, shall be immediately suspended from school consistent with procedural due process pending expulsion proceedings which shall take place no later than 21 calendar days following the day on which the student is suspended.

Navigating To and From Class (School Calendar)

It's being recommended that each student use their lockers during the entrance of School and pick-up their first and second block books. Then return to their lockers during 3A or 3B and pick-up their fourth and fifth block books. Please be advised, if a student needs assistance with Navigating successfully through the building, they can speak with any Administrator or staff member for assistances.

All faculty or staff members have the responsibility and authority to check students for a pass.

Any student cutting more than one class (including cutting lunch and/or study hall) in a given school day as a result of unexcused lateness or cutting classes will be charged with truancy and disciplined accordingly.

In the interest of safety for all students, it is required that all students who arrive at the school site must come directly on the school property and proceed to the cafeteria entrance until permitted to enter the building. A minimum of 1 to 3 days internal Suspension will occur after the fifteenth (15th) lateness and a parental conference with the principal will be required.

Students who arrive late to school (unexcused) and miss more than half the class period, will be considered cutting and will be charged with an unexcused absence from class. Disciplinary action will follow those procedures described for cutting class. (See Section VI)

Once tested, admittance to school requires a note from a physician stating that the student is physically and mentally able to return. Substance abuse incidents are considered cumulative in nature and may carry over each year while in attendance at Sterling High School.

Prohibited Items and Controlled Dangerous Substances

In the event the Principal or designee, after inspection of the confiscated item(s), has reason to believe the item(s) may have contained or may contain a controlled dangerous substance or a controlled dangerous analog pursuant to N.J.S.A. 2C:35-2, the Principal or designee will immediately notify the parent and the Superintendent or designee. School security experts recommend that schools do not provide or publish a list of all security measures that are in place, because to do so can actually make us vulnerable. The Administration can tell you there are many security measures in place. Some of those measures are visible to you, other measures are not. The Administration routinely seeks the advice of the local and state police and other agencies on how to better safeguard the schools and improve security measures. The local and state police departments continually provide Sterling High School with immediate and excellent support to keep the schools safe.

Students not meeting the standards as described in the dress code will be referred to the Administration.

The dress code will be in effect for any activities and school trip sponsored by the school and/or booster clubs. I.E. team activities, captains' breakfast, etc. The Code is in effect anytime a student represents Sterling High School in any manner. When the administration has determined that a student is improperly or inappropriately dressed that student will be given the opportunity to change into appropriate attire if it is available. If appropriate attire is not available, the student will be removed from class and the parents notified. If contact with the parent cannot be made, or clothing made available students will be placed in the Internal Suspension room for the remainder of the school day. This action could result in an absence of school for the day. Continued violations will also result in further disciplinary actions as stated in the discipline reference chart.

Board of Education Policies relating to students are located on the Sterling High School website, www.sterling.k12.nj.us.

STUDENT IDENTIFICATION BADGES

Sterling High School provides every student and employee with a personal identification badge. The badge displays a picture of the individual, his or her name and position in the school (student, teacher, secretary, etc.).

1. Students are required to wear their ID badges on school issued lanyards at all times and will be REQUIRED to wear the ID around their neck with their photo in the front of their person at all times and present them to enter the building each morning. The Administration has 48 hours to present to the student and parent a determination of the appeal. Should an appeal reach the level of the Superintendent and be denied, the student and parent then have a right to request that the matter be heard by the Board of Education (Policy #5710 AND #5620).

No suspension may continue beyond the second regular meeting of the Board following the suspension without Board action. No suspension for assault may be continued beyond 21 days without board action. A suspended pupil may be reinstated by the Superintendent before board action.

Each pupil shall be afforded an informal hearing before the suspension or, if circumstances prohibit, as soon as possible after the suspension except that, when extraordinary circumstances involving the health and safety of the pupil or others in the school require immediate exclusion, the hearing may be delayed to such time as circumstances permit.

In cases where a hearing before the Board is required, such hearings shall be closed to the public, but should all parties thereto agree, the hearing may be publicly held. - The nature of a single act presents such a clear possibility of danger to others that immediate definitive action is indicated

The parent(s)/guardian(s) of the pupil will be advised of the reasons why expulsion is being considered, of the rights of the pupil to a full hearing which will afford the student procedural due process, and the right of parent(s)/guardian(s) to appeal to the Superintendent. Before expulsion proceedings are started, the Administration may require a full evaluation of the student by the Youth Study Team, observing all due process required by N.J.A.C.6:28.

SUSPENSION PROCEDURES

Suspension is identified as the exclusion of a student from school for a specified period due to a major violation of school policy. Students who are suspended from school are prohibited from participating in any school activities or athletics (i.e. dances, athletic teams, sports events, club activities, etc.) Each suspension requires parental contact/conference with a Vice Principal/Principal before the student can be reinstated. The length of the suspension will vary with the seriousness of the violation and the number of previous suspensions.

Three suspensions will remove a student from the Senior Trip. Four suspensions will remove the student from all activities (note: all students, grades 9-12) including the graduation ceremony and the Prom. The appeal process is for specific suspensions only. It is not for an accumulation of suspensions leading to these additional disciplinary sanctions. Students may be placed on probation at Sterling High School when they commit major disciplinary infractions, commit a series (3 or more suspensions) or pattern of less major disruptive disciplinary infractions. Infractions that may result in immediate probation contract include but are not limited to: assault, fighting, drug use, drug possession, possession of a weapon other than a firearm, or threatening a teacher. (Policy #5610 and #5600)

When a student violates his/her probation contract by committing a major disciplinary offense such as those listed above, or by otherwise continuing to disrupt the school environment, the parent/legal guardian is informed of the violation and will be asked to participate in a conference regarding their son/daughter placement at Sterling High School.

Locks are issued to each student to be placed on a gym locker DURING the semester. Each student is responsible to secure all personal property. Students are expected to store gym belongings only in this locker. The school will not be responsible for lost or stolen items. The issued lock must be returned upon request or a fee of \$5.00 is charges to the student.

Each student is expected to lock all belongings in a gym locker during class. **ONLY SCHOOL ISSUED LOCKS ARE PERMITTED.**

At no time should valuables be locked in the lockers. The school cannot be responsible for items which might somehow be removed from the lockers. Students are not to give their combination to friends, and are to securely lock their lockers when they leave them.

If you must leave your belongings in a locker, it is strongly recommended that you use a combination padlock to secure the items. However, the school district is not responsible for any lost or stolen items.

Pupils who either misuse or mistreat their assigned lockers are subject to discipline and a maintenance fine at the conclusion of the school year.

III. EXCUSES FROM PHYSICAL EDUCATION

The following regulations will apply whenever a student is present and requests to be excused from physical education:

 2. The type of activity limitation
 3. The period of time the excuse is in effect. Any medical excuse stating "until further notice" cannot be accepted. If the actual time or duration cannot be predicted, an estimate must be made in order that the medical excuse be updated at the appropriate time.

STUDENTS MUST PASS THE MINI BLOCK IN ORDER TO PASS THE COURSE.

The final average is determined as per Policy 2624.

The New Jersey State Driver's Education written test will be given at the end of each course. In order to be eligible to take the State Test, New Jersey mandates a student must successfully complete 30 hours of Driver's Education instruction in or out of the Health II classroom. STUDENT PUBLICATIONS

The Accolade

To produce an outstanding yearbook requires much hard work and dedication but can be a rewarding experience for a student. The yearbook staff learns to work as a team to make a major contribution to the school and student. Scheduling pictures, writing articles, proofreading, and typing are just a few of the many jobs handled by the yearbook staff. The staff's achievement is a permanent record that will be continually reviewed. It deserves the most dedicated work possible. The Accolade has proven it possesses these qualities and is now recognized as one of the outstanding yearbooks in South Jersey.

Silver Scroll

The school newspaper offers approximately (4) issues per year. Students who are interested in writing, photography or illustrating have an opportunity to practice their talent. Most articles and editorials deal with subjects of interest to the school population and the community at large.

GUIDANCE/CAREER SERVICES

The Guidance/Career suite is located in the main corridor across from the Media Center.

Every career area has its own educational and skill requirements and employers will check the school record for courses and experience.

However, employers will want far more than ability. They will be looking for evidence of reliability, intuitive, perseverance, good attendance, cooperation, a willingness to do more than required and generally, a willingness to follow the rules. Hopefully, the school experience will assist in the development of these traits, but each person must establish their own personal values and goals. The Guidance and Counseling Program is designed to promote assistance for the development of talents and capabilities of the individual students for maximum participation and utilization.

The Guidance/Career Department is supervised by the Director of Student & Personnel Services and is comprised of five full-time counselors, and two Secretaries who provide the following:

1. Student Planning and Placement
2. Dissemination of Information – Educational, Vocational, Personal, and Social
3. Testing Program
4. Counseling – Personal, Educational, Vocational, and Career
5. Orientation Programs
6. Consultation with teacher and Administration
7. Referrals
8. Record Processing
9. Parent Conferences
10. Research and other appropriate functions

The services provide the individual the opportunity to succeed in school work and to prepare for future efficiency as an independent, happy and useful member of society.

The counselor's role is that of helping the student explore opportunities for the future. In the final analysis, the choice of appropriate vocational pursuits or further educational institutions should be the result of the student's own evaluation and decision, whether it is a college, industry, or any other institution of continuing education.

Students are assigned to a Counselor according to their last name alphabetically or by classification.

If you wish to see your Counselor, stop in the Guidance/Career Center and make an appointment. Parents are encouraged to utilize **On- Course**, Sterling's web-based communication program to check on their student's progress and communicate with teachers by email. The Guidance Office provides every family with directions and password to access each student's progress on **On-Course**.

Among the activities are class orientations, career intern programs, guest speakers, interest test administrators and interpretation, job placement, college, vocational and technical school opportunities and information.

CHANGE OF CUSTODY OR GUARDIANSHIP

Students and parents/guardians are to immediately report any change in their address or telephone number to the Guidance Office. Parents/Guardian must report any legal change to the Guidance Office immediately.

NATIONAL HONOR SOCIETY

PROCEDURES FOR SELECTION OF NATIONAL HONOR SOCIETY MEMBERS BASED ON FOUR CRITERIA OF SCHOLARSHIP, LEADERSHIP, CHARACTER, SERVICE

Scholarship

Every junior and senior over 93 cum average is eligible.

Service

Students who are eligible to apply based on scholarship will be mailed a letter and an application during the month of October. Applications will be required to be returned to the National Honor Society Moderator with approximately two weeks (exact dates vary from year to year). No student will be eligible for consideration without turning in a completed application, on time.

Leadership & Character

The faculty is given a rating sheet for each eligible student. Each student is evaluated according to established criteria for character and leadership.

Application Process

- a. The applications are processed and judged in a system of assigned points for each type of activity. Each number is multiplied by the number of years of participation and divided by the total years the student is here (four years maximum).
- b. The faculty's responses are added and then divided by the number of faculty who rated each student
- c. The four criteria are then weighted as follows:

Grade Point Average	40%
Service	20%
Character	20%
